

Thompson Rivers University

Community Driven Research Fund (CDRF) - Adjudication Checklist

Applicant: _____

Adjudication Criteria: Alignment with CDRF goals, feasibility of budget and timelines, and merit of the research plan, including methods, researcher’s skills and expertise, expected outcomes, knowledge mobilization plan, and opportunities for student researchers.

Reviewer Rating: 1. Strongly Disagree 2. Disagree 3. Agree 4. Strongly agree

Criterion	The Proposal Meets the Selection Criteria. Please Rate 1,2,3, or 4	Comments
Alignment with CDRF Goals		
Application clearly articulates how the research project responds directly to a community need in the Thompson Nicola Cariboo region		
The research plan outlines expected outcomes for the community organization		
The project demonstrates a partnership opportunity		
The project provides research opportunities for student(s)		
Feasibility		
Budget is reasonable and consistent with work plan, and expenses conform to Tri Council Agency Guidelines		
Timelines are realistic and sufficient to meet the work plan		
Merit and Quality of the Research Plan		
Researcher has the expertise to effectively conduct the research project – CCV attached		
The research plan outlines research methods that align with project needs and student abilities		
The application has a clearly defined Knowledge Mobilization Plan and demonstrates intention to archive research results in TRUSpace		
The research plan shows some potential to lead to a larger research opportunity which may qualify for external funding
