It is th	e consensus of the Supervise	ory Committee that (chec	k one):	
	the student is making satisfactory progress in their degree program, and he/she should continue on the current program of study;			
	some attention is needed to correct weakness or deficiencies in the student's background and/or research program; the committee as a whole does not need to meet to re-examine these issues;			
	significant steps should be taken to correct weakness or deficiencies in the student's background and/or research program; the committee as a whole needs to reconvene to discuss whether these issues have been resolved before the student proceeds any further with their research program;			
	the student should be requested to withdraw from the program of study.
