Baihua Chadwick

Vice-President International

On behalf of everyone at TRU World, welcome to Canada and to Thompson Rivers University.

You have made a brave choice to study away from home, and we are happy you chose TRU. Our International Student Advisors (ISAs), many of whom were once TRU students themselves, are ready and eager to assist you with any questions you have. Turn to your ISA when you need advice on any issue, from relationships to accommodation concerns to assistance with learning about Canadian culture.

You are here as an ambassador of your country. I encourage you to share your culture with others, and to learn about some of the many cultures we celebrate on campus. Education happens in more places than a classroom. We have students here from over 90 countries and regions; there is much we can learn from each other!

My sincerest wish for you is that you learn much, share much and enjoy your time with us. Once again, a warm welcome to Canada and to TRU.

Sincerely,

Baihua Chadwick

MEDICAL INSURANCE

MEDICAL INSURANCE IS MANDATORY IN CANADA AT ALL TIMES

TRU automatically enrolls all new students into guard.me insurance for their first 90 days in Canada. Students can opt out of guard.me coverage if they already have medical insurance that covers them up to a minimum of \$500,000 in medical expenses.

Exchange students must complete the opt-out form on the guard.me/tru website and upload their insurance in English immediately.

MEDICAL SERVICES PLAN

Three months after entering British Columbia, students are eligible to enrol in the BC Medical Services Plan (MSP).

Under the Medicare Protection Act, enrolment with the Medical Services Plan (MSP) is mandatory for all eligible residents and their dependents. Our ISAs will help you complete an application for MSP insurance during orientation.

If you missed this opportunity or have questions, go to the MSP website at my.gov.bc.ca/msp/application/prepare or attend one of TRU World's workshop dates:

EXTENDED HEALTH AND DENTAL INSURANCE THROUGH TRU STUDENT UNION

The following students must opt in to TRUSU's Health and Dental Plan coverage:

- Winter semester students
- Summer semester students
- Exchange and visiting students
- Students who previously opted out
- Dependents of the above

If you opt in to the TRUSU Health and Dental Plan, you are NOT automatically enrolled every year and will need to opt in again the following year to maintain your coverage.

For more information on TRUSU's plans, visit tru.ca/services/health-dental
