(B) Select the **Software Update** button on the **"Overview"** tab in the About This Mac window.

Your system will search for updates and give you an option to Upgrade. Select Upgrade Now to update the latest version of iOS.

(A) Click the **Apple** menu icon at the top left corner of your screen, and then select the "About This Mac" command.

The name and version number of your Mac's operating system will appear on the **"Overview"** tab in the About This Mac window.
