NOTE: It is recommended that students complete SOCI 2720 before entering the Sociology major. If you are planning to pursue graduate studies in Sociology, it is highly recommended that both SOCI 3800 and SOCI 3820 be completed.

NOTE on SOCI 3620: Special Topics in Social Problems (3 credits) - The department may offer a number of these special topics courses each semester. Students are allowed to complete as many of these 3 credit courses as they choose to, provided that all of them cover different topics (each special topics course will count towards their upper elective credits for their Sociology major).
