

TRUSpace NON-EXCLUSIVE DISTRIBUTION LICENSE - 2015

Summary: Thompson Rivers University (TRU) maintains an open access institutional repository called TRUSpace for published and unpublished material created by members of the TRU community.

By signing this License, you give TRU the non-exclusive right to copy, distribute, and transmit your Submission over the Internet through TRUSpace on the terms set out below. Visitors to the TRUSpace site will be permitted to use your Submission for non-commercial purposes, as set out in greater detail below. You may assign different licensing terms to govern how TRUSpace visitors may use your Submission through the TRUSpace submission process.

The rights you grant to TRU under this License will last in perpetuity. References to TRUSpace include any successor repository designated by TRU.

This License grants TRU significant rights and contains important limitations on your rights to your work. Please read it carefully.

- if the Submission has more than one author, all co-authors have approved the Submission and have read and agreed to and signed the terms of this License and signed the License;

- to the best of your knowledge, the use and distribution of the Submission as contemplated in this License will not infringe the copyright or any other intellectual property rights of any other person;
- if the Submission contains material for which you do not hold copyright and which is not in the public domain,

If, at any time hereafter, you learn that any of the foregoing statements are inaccurate, you must contact TRUSpace immediately.

3. **Grant of License.** In consideration of TRU preserving your Submission in perpetuity in TRUSpace, you hereby grant to TRU the non-exclusive, world-wide, perpetual, and royalty-free right to use, reproduce, display, convert, sublicense and distribute, in any format and any medium, your Submission, for the following purposes:
- a. uploading and storing your Submission;

- b. publishing the Submission electronically on the Internet via TRUSpace, which means making your Submission available to the public by telecommunication so that they may view and download your Submission, subject to the public access terms described in Section 5;
 - c. converting your Submission to any medium or format for the purposes of security, back-up, preservation and use of the Submission in accordance with this License; and
 - d. authorizing third-parties to perform any of TRU's rights described in this Section, on TRU's behalf.
4. **Thesis.** If you are submitting a graduate thesis or dissertation, your grant of rights described above is irrevocable and includes, for greater certainty, TRU authorizing Library and Archives Canada to copy, display, publish, communicate, archive, convert into any format, and make your thesis or dissertation available to the public online or in paper form, all for non-commercial purposes.
 5. **Publication of your Submission.** This License does not affect the ownership of copyright—you maintain whatever rights you have in the Submission. In addition, this License does not contain a waiver of your moral rights to your Submission. However, you have granted important rights to TRU and visitors to TRUSpace, and, therefore, you agree that if you grant others copyright ownership or a license, it will be consistent with the rights you have granted under this License. For example, if you wish to publish your Submission in a journal, you will inform the publisher of the rights you have granted under this License and not agree to terms that restrict those rights.
 6. **Terms of Access by the Public.** TRU will make a digital copy of your Submission available in TRUSpace for the public to view and copy for non-commercial purposes only, without prior permission or charge, provided that your Submission is not altered in any way and is properly acknowledged, including citing the author(s), title and full bibliographic details. (Note: this corresponds to the Attribution-NonCommercial-NoDerivs, or CC BY-NC-ND Creative Commons license) TRU may, in its discretion, make your Submission available pursuant to a Creative Commons license (or other licencing platform), on similar terms. If you wish to assign different license terms to your Submission (for example, a different Creative Commons license), you must inform TRUSpace as part of the submission process to TRUSpace, and the terms of that license shall apply to your Submission. Public access to your Submission may be withheld for an agreed upon period of time: see the TRUSpace Institutional repository Policies for applicable policies and processes.
 7. **Attribution.** TRU will attribute the Submission as you have indicated in Section 1 or as you may notify TRU from time to time, and not alter the Submission except as allowed by this License or with your prior permission.
 8. **TRUSpace Institutional repository Policies.** You acknowledge and agree that you have read and understood the TRUSpace Institutional repository Policies, and that your Submission complies with those policies. You acknowledge that the TRUSpace Institutional repository Policies may be amended from time to time and that the then current policies will apply to your Submission. In particular, you acknowledge and agree to the policies regarding TRU's right to withdraw public access to your Submission.
 9. **Release and Indemnification.** You agree that you will not hold TRU responsible for any use or misuse of your Submission by third-parties who access the Submission through TRUSpace. You agree to indemnify and hold TRU harmless against any loss, damage, claim, liability, settlement cost or expense (including legal fees) incurred by TRU and arising out of or in connection with TRU's use of your Submission pursuant to this License, and, for greater certainty, any of the statements in Section 2 being inaccurate.

I have read, understand and agree to the terms set out in this License. This License may be delivered and/or stored by electronic means, and such electronic copy delivered to and stored by TRU will be deemed to be the official record of this License.
