Notes

FTE = Full Time Equivalentents

Targeted FTE is for specific programs, and while there is an FTE target for the Non-Targeted FTE, it can be from any program

International inbound exchange students are reported to the government as domestic FTEs, however, in 2020-21 there was no FTE generated as there was no exchange activity (in 2019-20 there was 31 FTE)

Does not include International Offshore FTE of 647 in 2019-20 and 452 in 2020-21

As per a Ministry request in 2020-21 Open Learning program FTE divisors were aligned with On Campus programs, this resulted in a decrease in the FTE. 2019-20 is presented on both the original basis as reported, and an estimate of the FTE on the revised basis
