**POLICY**

In order to ensure maximum student success and the responsible use of program and course resources, Thompson Rivers University (TRU) may set limits on the number of times students may attempt a TRU course, or program, where academic records indicate that little chance of success exists.

**REGULATIONS (For Campus Based courses and programs)**

**I. COURSE REPEATERS**

Subject to the policies and/or criteria of each program, any student may repeat a given course one time. A student wishing to enroll in the same course for a third or subsequent time will be permitted to register only upon presentation of written approval from the Chair of the department offering the course.

**II. PROGRAM REPEATERS**

Over and above the requirements of Policy ED 3-2, program policies may establish semester or cumulative Grade Point Average (GPA) requirements for repeat and/or continuation. Such continuation and promotion policies are subject to the approval of the Provost & Vice-President, Academic. Students who fail to achieve this minimum GPA, or who receive a cumulative GPA sufficiently low that in the opinion of the Provost & Vice-President, Academic, they have little or no chance of success in the program, may be required by the Registrar to withdraw from TRU for a period of one semester.

**III. ADMISSION PRIORITY OF REPEATING STUDENTS**

I or II above notwithstanding, in certain programs repeating students will be admitted only if space is available once new applicants have been admitted. Procedures concerning this must be

approved by the Provost & Vice-President, Academic, and individual admission decisions will be made by the Registrar.
